

# Families in Focus CIC Right from the Start

For parents with a child awaiting a diagnosis/with a recent diagnosis of Autism, ADHD & inclusive of all Special Needs & related conditions

This workshop is run by Francine and Lesley from Families in Focus CIC with over 20 years of professional and personal knowledge and experience of special educational needs and disability. We will support you and enable you to have the clear information right from the start sharing information and knowledge about:

- ✓ The language/acronyms of additional needs
- ✓ Learn about services and other organisations that can support you, your child and family
- ✓ Understanding Education & Health Care Plan (EHCP)
- ✓ Be calm and assertive in meetings and understand your and your child's right and responsibilities
- ✓ Connecting with other parents living in your community and living in families similar to yours
